

Internal Audit Charter

nbn-COMMERCIAL | 13 May 2025

Owner: General Manager Internal Audit and Fraud

nbn co limited (**nbn**) has established an Internal Audit function as a key component of its governance framework.

As a Government Business Enterprise, **nbn** is subject to the powers of direction and decision making reserved to the Commonwealth by law and by **nbn**'s Constitution and, exercised by the Shareholder Ministers. No specific legal requirements are applicable to **nbn** Internal Audit function.

This Charter provides the framework for **nbn**'s Internal Audit function and has been endorsed by the Audit and Risk Committee at its meeting held 09 May 2025 and approved by the Board at its meeting held on 13 May 2025. This document captures the requirements of both the Internal Audit Mandate and Internal Audit Charter as per the "Global Internal Audit Standards" published by The Institute of Internal Auditors (**IIA**) on 9 January 2024.

INTERNAL AUDIT MANDATE AND PURPOSE

Internal Audit provides independent and objective assurance and consulting activities designed to add value and improve **nbn**'s operations.

It helps **nbn** management and the Board, through the Audit and Risk Committee, accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of transaction and asset management, risk management, control and governance processes.

AUTHORITY

Internal Audit is authorised to have full, free and unrestricted access to all functions, premises, assets, personnel, records, and other documentation and information, within the law, that it considers necessary to enable it to meet its responsibilities.

Internal Audit will have free and unrestricted access to the Chief Executive Officer (**CEO**), Board of Directors (the **Board**) and the Audit and Risk Committee.

All records, documentation and information accessed in the course of undertaking internal audit activities are to be used solely for the conduct of these activities. Internal Audit staff are responsible and accountable for maintaining the confidentiality of the information they receive during the course of their work.

All internal audit documentation and work papers remain the property of **nbn**, including where internal audit services are provided by service providers under the co-sourced model.

OBJECTIVITY

Internal Audit must be able to perform its duties in an objective manner and provide impartial advice to management and the Audit and Risk Committee. As such, Internal Audit has no direct authority or responsibility for the activities it reviews.

Internal Audit personnel will not assume responsibility for the design, installation, operation or control of any procedures within the organisation, with the exception of the Internal Audit function and those non-audit activities noted below.

The primary responsibility for managing risk, internal control and compliance with legislation, regulations and ethics rests with management.

It is the responsibility of the Chief Audit Executive to communicate to the Chief Financial Officer (**CFO**) and Audit and Risk Committee at least annually to confirm the independence of the function, and whenever there is any perceived or potential conflicts of interest that may compromise the objectivity of Internal Audit. If the objectivity of the Chief Audit Executive is impaired in fact or appearance, the Chief Audit Executive must disclose the impairment to Audit and Risk Committee.

Refer to the “*Internal Audit Co-Sourced Provider Independence and Conflict Protocols*” (approved by the Audit and Risk Committee on 09 May 2025).

Where the General Manager Internal Audit and Fraud is responsible for non-audit activity as noted below, independence safeguards in place include:

- the General Manager Internal Audit and Fraud Executive not performing Line three internal audit duties over specific non-audit activities that they manage or oversee
- Review of the non-audit activities being managed and performed independently of the General Manager Internal Audit and Fraud and reported direct to the Audit and Risk Committee
- Periodic independent review of safeguards effectiveness.

STRUCTURE

The Board has formed the Audit and Risk Committee to assist it in complying with its financial management/reporting, performance reporting, risk oversight and management, reporting obligations, internal control and, compliance with relevant laws and policies. For further detail on the role of the Audit and Risk Committee refer to the “*Audit and Risk Committee Charter*” (approved by the Board on 10 December 2024).

The Chief Audit Executive is accountable for the Internal Audit function’s implementation of and conformance with the requirements of this Charter. **nbn**’s Chief Audit Executive is the General Manager Internal Audit and Fraud. Internal Audit staff will report to the General Manager Internal Audit and Fraud who is responsible for the management of any Internal Audit resources. The General Manager Internal Audit and Fraud reports administratively to the CFO and functionally to the Audit and Risk Committee.

Whilst the General Manager Internal Audit and Fraud reports administratively to the CFO, they also have direct access to the CEO and other senior management, with meetings to occur as required.

The Audit and Risk Committee has determined that the operation of **nbn**’s Internal Audit function is a co-sourced model. The appointment of co-sourced Internal Audit providers will be in accordance with **nbn** procurement policies and procedures. The Chair of the Audit and Risk Committee, CFO and General Manager Internal Audit and Fraud will be evaluation panel members.

ROLES AND RESPONSIBILITIES

Internal Audit's activities include the following areas:

- A. **Internal Audit Reviews:** The scope of work of the Internal Audit function is to determine whether the governance, risk management and control processes of **nbn**, as designed and represented by management, are adequate and functioning in a manner to provide a reasonable level of confidence over the control environment. This includes conducting the following activities:
- Compliance:
 - Reviewing compliance with legislative requirements, Australian government and **nbn** policies and procedures;
 - Reviewing the adequacy and effectiveness of internal financial and operational controls including IT system controls; and
 - Reviewing the controls to safeguard, record, control, and use of entity assets.
 - Operational – assurance-based reviews focussing on current risks and controls.
 - Performance – performing reviews that focus on the efficiency, effectiveness, and ethical conduct of **nbn**'s business.
 - Investigations – investigating alleged frauds or other special investigations.
- B. **Advisory / Consulting Services:** Internal Audit may advise management on a range of matters subject to the objectivity requirements set out in this Charter.
- C. **Audit Support Activities:** Internal Audit is also responsible for:
- Assisting the Audit and Risk Committee to discharge its responsibilities;
 - Monitoring the implementation of agreed Internal Audit recommendations;
 - Disseminating across the entity better practice and lessons learnt arising from its audit activities; and
 - Coordinating with other assurance related activities across **nbn**.
- D. **Integrated Assurance:** Internal Audit will be a primary contributor to **nbn**'s *Enterprise Assurance Framework*¹. This will require Internal Audit to:
- Work collaboratively with **nbn**'s assurance providers; and
 - Inform the Audit and Risk Committee regarding relevant Integrated Assurance activities and actions as required as they relate to Internal Audit.
- E. Any other activity requested by the Audit and Risk Committee.

nbn's formal Internal Audit Methodology (the Methodology) details the approach adopted by **nbn** Internal Audit and its Co-Source Service Providers to effectively deliver a high performing Internal Audit function to the Audit and Risk Committee and senior management, in accordance with the Audit and Risk Committee and Internal Audit Charters. The Methodology also details:

¹ **nbn**'s "Enterprise Assurance Framework" is the organisation's formal approach to integrate risk and assurance.

- The obligations of Management in contributing to Internal Audit work and
- The process for managing any disagreements with senior management or other stakeholders on the scope, findings, reporting or other aspects of an engagement that may affect the ability of the internal audit function to execute its responsibilities.

Refer to the “**nbn** Internal Audit Methodology 2025”.

NON-AUDIT ACTIVITIES

The General Manager Internal Audit and Fraud has oversight responsibility for the Fraud Management and Investigations function. This includes, but is not limited to:

A. Fraud Management

- Developing, implementing and regularly reviewing a range of fraud and corruption prevention, detection and response strategies;
- Maintaining the *Fraud and Corruption Control Policy* and the *Fraud and Corruption Control Plan*; and
- Assisting management to identify and mitigate the risk of fraud and corruption and to develop fraud prevention and monitoring strategies.

B. Investigations

- Fraud Management and Investigations may respond to, investigate and resolve alleged instances of fraud and corruption, including reports made by the Fraud Control Officer and under **nbn**'s Whistle-blower regime.

C. Conflicts of Interest and Gifts and Benefits

- Coordinating the Conflicts of Interest process and maintaining the Conflicts of Interest Register;
- Coordinating the Gifts or Benefits process and maintaining the Gifts or Benefits Register; and
- Coordinating and maintaining other relevant registers as required.

D. Training and Awareness

- Fraud and Ethics training and awareness activities.

The primary responsibility for managing risk, applicable internal controls and compliance with relevant legislation, regulations and ethics rests with **nbn**'s CFO and Chief Executive Officer. It is the responsibility of all employees, contractors and third parties to promote and enhance fraud and corruption control within **nbn**, and Senior Management are required to demonstrate an ethical tone at the top in relation to **nbn**'s zero tolerance to fraud and corruption.

PLANNING

Internal Audit prepares an Annual Internal Audit Plan. Allocation of Internal Audit resources is based on the annual plan that takes into account:

- **nbn**'s strategy and objectives;
- Strategic and Key Operational risks;
- Consultation with Executive Committee members;
- Other assurance coverage over key risks; and
- Requests by management and the Audit and Risk Committee.

An annual Internal Audit Plan is developed in conjunction with management and senior executives and is approved by the Audit and Risk Committee. The General Manager Internal Audit and Fraud, or the Audit and Risk Committee, in conjunction with the CFO, may perform alterations to the annual Internal Audit Plan where deemed appropriate to do so. Material alterations to the Annual Internal Audit Plan are subject to approval by the Audit and Risk Committee.

Prior to an Internal Audit review is starting, a scope document will be prepared. This will be agreed with relevant members of management and signed off in agreement with the scope of services to be provided by Internal Audit.

REPORTING

An Internal Audit report will be issued for every review performed. All reports will be discussed with management before they are issued. Discussions will include all relevant management for the area under review. The report of each review will be provided to the Audit and Risk Committee, which shall be responsible for ensuring the satisfactory outcome of reviews.

The General Manager Internal Audit and Fraud will report to the Audit and Risk Committee on:

- Audits completed, issues identified and their root causes;
- Progress in implementing the strategic business plan and audit work plan; and
- The status of the implementation of agreed Internal Audit recommendations.

Internal Audit will also report to the Audit and Risk Committee at least once annually on overall perspectives on internal controls, root causes and any systemic issues requiring management attention at **nbn**.

OTHER AUDITORS AND ASSURANCE PROVIDERS

Internal Audit will co-ordinate its work with other auditors and assurance providers as directed by the Audit and Risk Committee, management and the guidance provided in the '*Enterprise Assurance Framework*'.

Internal and external audit activities will be coordinated with the objective of ensuring adequacy of overall audit coverage and minimising duplication of effort. External audit will have full and free access to all relevant internal audit plans and working papers, and all internal audit reports.

STANDARDS OF AUDIT PRACTICE

The internal audit activity will meet or exceed the mandatory requirements provided in the *International Professional Practices Framework (IPPF)*, published by the IIA: consisting of the *Global Internal Audit Standards*, *Topical Requirements*, *Global Guidance* and other relevant Internal Audit related standards issued by:

- The IIA
- Certified Public Accountants (CPA) Australia
- Chartered Accountants Australia and New Zealand (CAANZ)
- Information Systems and Control Association (ISACA)
- Australian National Audit Office (ANAO).

In addition, Internal Audit staff and the Chief Audit Executive are expected to:

- Comply with relevant professional standards of conduct;
- Possess the knowledge, skills and technical proficiency relevant to the performance of their duties;
- Be skilled in dealing with people and communicating audit, risk management and related issues effectively;
- Maintain their technical competence through a programme of professional development; and
- Exercise due professional care in performing their duties.

QUALITY ASSURANCE PROGRAM

Internal Audit will maintain a quality assurance and improvement program that covers all aspects of the Internal Audit activities. The Internal Audit function's assessment of its performance and effectiveness through its Quality Assurance and Improvement Program² will be reviewed annually by the Audit and Risk Committee, including compliance with the IIA's IPPF.

Internal Audit's Quality Assurance and Improvement Program (**QAIP**) provides assurance to the Audit and Risk Committee, Executive Committee (**ExCo**), and senior management that Internal Audit work is performed in accordance with the Internal Audit Charter and the Professional Standards. This is also to provide assurance that Internal Audit work is operating in an effective and efficient manner and is perceived by key stakeholders as adding value to **nbn**. Any findings and recommendations from the QAIP will be followed-up by the General Manager Internal Audit and Fraud to ensure that appropriate action plans are developed and implemented in a reasonable timeframe.

A qualified, independent assessor or assessment team from outside the organisation will conduct a full external assessment every three years. At least one member of the external assessment team will be a Certified Internal Auditor. The assessment will consist of a broad scope of coverage including:

- Conformance with the IPPF and Internal Audit's Charter, policies, procedures, and any applicable legislative and regulatory requirements;
- Expectations of Internal Audit as expressed by the Audit and Risk Committee, ExCo and senior management;
- Integration of the Internal Audit activity into **nbn**'s governance and assurance processes;
- The mix of knowledge, experience, and disciplines within the audit team; and
- A determination of whether Internal Audit adds value and improves **nbn**'s operations.

² As defined in the Global Internal Audit Standards issued by the IIA effective 9 January 2025.

Results of external assessments will be provided to the Audit and Risk Committee and CFO at the completion of each three yearly review. The external assessment report will be accompanied by a written action plan in response to significant comments and recommendations contained in the report. The last external assessment was conducted in May 2024, and the results were tabled at the July 2024 Audit and Risk Committee meeting. The next external assessment is scheduled for 2027.

REVIEW

The Internal Audit Charter and mandate of the Internal Audit function will be reviewed annually or for notable changes in the Global Internal Audit Standards, regulations or the organisation to ensure it remains consistent with **nbn**'s strategy and objectives and the Audit and Risk Committee Charter. The results of this review will be discussed with relevant senior management and will be reported to the Audit and Risk Committee. Any significant changes must be approved by the Audit and Risk Committee.
