Table 1 Orderable BSS Test Services

Notes:

1. Available on and from the Mobility Product Launch Date. See paragraph 2.
 2. After an End User-terminated Test Service – No ETP or End User-terminated Test Service – No MRC has been supplied for a period of 6 months, **nbn** may disconnect that End User-terminated Test Service – No ETP or End User-terminated Test Service – No MRC (as relevant). See paragraph 3.c.ii.
 3. **nbn** may, subject to its discretion and upon request from Customer, supply more than 1 Ordered Product (within the overall maximum of 5 Ordered Products) to a particular Aligned Industry. After an Industry End User-terminated Test Service has been supplied for a period of 3 months, **nbn** may disconnect that Industry End User-terminated Test Service. See paragraph 3.c.iv.
2. If the Start Date is prior to the Mobility Product Launch Date, Customer may not place an order for, and **nbn** is not obliged to supply a BSS Test Service in respect of, any **nbn**™ Mobility VISP and **nbn**™ Mobility Private Network Layer 3 Ordered Product until the Mobility Product Launch Date.

3. Despite anything else in this letter agreement or the BSS-ILA:
 - a. **nbn** may:
 - i. deprioritise the data transfers of any RSP-terminated Test Service; or
 - ii. reduce the maximum data transfer rate of any RSP-terminated Test Service's IAC or BVC (as applicable),
to the extent that **nbn** determines, acting reasonably, is necessary to support the supply of ordered products other than RSP-terminated Test Services, whether for Customer or any Other Customer;
 - b. **nbn** may reject a request for the supply of a BSS Test Service due to network capacity constraints, the impact of the BSS Test Service on other BSS ordered products or for other similar reasons; and
 - c. **nbn** may disconnect a BSS Test Service in the following circumstances:
 - i. upon the expiry of the Eligible Period applicable to that BSS Test Service (except where the BSS Test Service is subject to a period of supply specified in paragraph 3.c.ii, 3.c.iii or 3.c.iv that expires sooner);
 - ii. in respect of an End User-terminated Test Service – No ETP, the BSS Test Service has been supplied for a duration of 6 months;
 - iii. in respect of an End User-terminated Test Service – No MRC, the BSS Test Service has been supplied for a duration of 6 months; or
 - iv. in respect of an Industry End User-terminated Test Service, the BSS Test Service has been supplied for a duration of 3 months.
4. Customer will be responsible for any costs associated with the disconnection and removal of each BSS Test Service, including the return of any **nbn**TM Equipment and, in the case of any Mobility Loan Terminal Test Service, the return of the VSAT NTD to an address nominated by **nbn**.
5. If an equipment warranty otherwise applies to an **nbn**TM Mobility VISP or **nbn**TM Mobility Private Network Layer 3 Ordered Product under the BSS-ILA, that equipment warranty does not apply in respect of any Mobility Loan Terminal Test Service.

Waivers

6. **nbn** waives its right to require Customer to pay the Charges or amounts under the BSS-ILA in respect of each BSS Test Service as specified in Table 2 below:

BSS Test Service Variant	Applicable waiver(s)		
	Any Monthly Recurring Charges	Any Early Termination Payment that may otherwise be payable by Customer in accordance with the BSS-ILA Price List.	Any Charges for a VSAT NTD or VSAT NTD Mounting Equipment that may otherwise be payable by Customer in accordance with the BSS-ILA Price List.
RSP-Terminated Test Service	✓ ¹	✓	×
End User-terminated Test Service – No ETP	×	✓	×
End User-terminated Test Service – No MRC	✓ ¹	✓	×
Industry End User-terminated Test Service	✓	✓	✓ ²
Mobility Loan Terminal Test Service	✓	✓	✓

¹ Except in circumstances where Customer exceeds any applicable the VISIP Test Service Data Usage Allowance Limit in two consecutive Billing Periods, in which case paragraph 7 applies

² Except for VSAT Antenna KA 1.8m Charges

Table 2 Waivers

7. If Customer exceeds any VISIP Test Service Data Usage Allowance Limit, then, in each subsequent Billing Period, **nbn** may require Customer to pay Monthly Recurring Charges for any data usage in excess of the VISIP Test Service Data Usage Allowance Limit in accordance with the BSS-ILA and any applicable Discount, Credit, Rebate or Waiver.
8. For clarity, all other relevant Charges or amounts, including for the Facilities Access Service, B-NNI, equipment, installation and activation, will be payable by Customer as per the BSS-ILA Price List.

Pre-existing test services

9. If, as at the Start Date, Customer is being supplied or had been supplied services under a Prior Letter Agreement or Prior Test Agreement (**Prior Test Services**):
 - a. Customer is deemed to be supplied the Equivalent BSS Test Services in lieu of the Prior Test Services as set out in Table 3 below; and
 - b. the supply of those Equivalent BSS Test Services will be on the terms of this letter agreement from the date of expiry of the Prior Test Agreement (if applicable) or otherwise from the Start Date:

Prior Test Service	Equivalent BSS Test Service
“RSP-terminated Test Service” under the Prior Letter Agreement	RSP-terminated Test Service
“End User-terminated Test Service” under the Prior Letter Agreement	End User-terminated Test Service – No ETP
“Additional End User-terminated Test Service” under the addendum to the Prior Letter Agreement	End User-terminated Test Service – No MRC
Service supplied under the Prior Test Agreement	Where the Prior Test Service is being supplied to a Customer Test Premises, an RSP-terminated Test Service Where the Prior Test Service is being supplied to an End User Test Premises, an End User-terminated Test Service – No ETP

Table 3 Equivalent Test Services

10. To give effect to paragraph 9:
 - a. Customer waives the notice periods specified in paragraph 13 of the Prior Letter Agreement, paragraph 7 of the addendum to that Prior Letter Agreement and section 8.1(c) of the Prior Test Agreement; and
 - b. if **nbn** is supplying more Prior Test Services than the applicable limits set out in Table 1 for the equivalent BSS Test Services, then **nbn** may cease the supply of any such service in excess of those limits (determined by **nbn** in its discretion).
11. Where an BSS Test Service is:
 - a. supplied under a Prior Letter Agreement;
 - b. transitioned to this letter agreement in accordance with paragraph 9; and
 - c. restricted by a period of supply of up to 3 months or 6 months (as applicable) in accordance with Table 1,

that 3-month or 6-month period begins from the Start Date.

Mobility Loan Terminal Test Services

12. If Customer wishes to acquire a Mobility Loan Terminal Test Service, **nbn** must approve the loan of a VSAT NTD to Customer, for a period of time to be specified by **nbn**, over which the Mobility Loan Terminal Test Service would be supplied.
13. Customer acknowledges and agrees that the supply of a Mobility Loan Terminal Test Service is subject to the availability of any VSAT NTD that is required for use in conjunction with that Mobility Loan Terminal Test Service, as determined by **nbn** at the time Customer orders the relevant Ordered Product.

14. Despite anything in the BSS-ILA, title and risk in a VSAT NTD supplied in connection with a Mobility Loan Terminal Test Service will remain with **nbn**.
15. At the end of the relevant period notified by **nbn** in paragraph 12:
 - a. **nbn** will disconnect the BSS Test Service; and
 - b. Customer must ensure that any **nbn**TM Equipment and VSAT NTD supplied in connection with the Mobility Loan Terminal Test Service is returned to **nbn**, in accordance with any applicable processes specified by **nbn**.
16. Customer must, and must ensure that each End User to whom Customer supplies a Customer Product that relies on a BSS Test Service as an input:
 - a. keep any **nbn**TM Equipment and, in the case of a Mobility Loan Terminal Test Service, any VSAT NTD provided under this letter agreement:
 - i. fully operational and functional; and
 - ii. in a condition similar to when it was received by Customer or that End User (as the case may be), ordinary wear and tear excepted; and
 - b. comply with any installation, technical and operational standards (including in respect of any hazard management activities), as notified by **nbn** from time to time.
